

PADI TecRec Qualifying Diver Level Certifications from other Organisations

Organisation	Programme	Tec 40	Tec 45	Tec 50	Trimix	
		This chart may be used to find the qualifying PADI TecRec diver certification when crossing over from another training organisation. Look for the organisation and the student's current level at which it qualifies in the PADI TecRec program regimens.				
		x	This certification qualifies the student to enrol in the next level of training above the one listed at the top of the column, provided all other prerequisites are met.			
		(+)	This certification meets some, but not all of the requirements for the training level listed at the top of the column. Please contact your PADI Office for details and possible options for meeting those requirements (if any).			
ANDI	Extended Range Diver (Level 4)	x	x	x		
	Intermediate Trimix Diver (Level 5)	x	x	x		
	Technical Safe Air Diver (Level 3)	x				
	Technical Trimix Diver (Level 3)	x	x	x		
	Technical Wreck Diver (Level 3)	x
